

CITADEL HYBRID TRUST 5 CHT-5

PROTECTS YOUR FORTUNE

CHT-5 safeguards your wealth against unexpected events. Provides controlled distribution per needs. Protects against legal and financial threats. Ensures long-term financial security for beneficiaries and future generations.

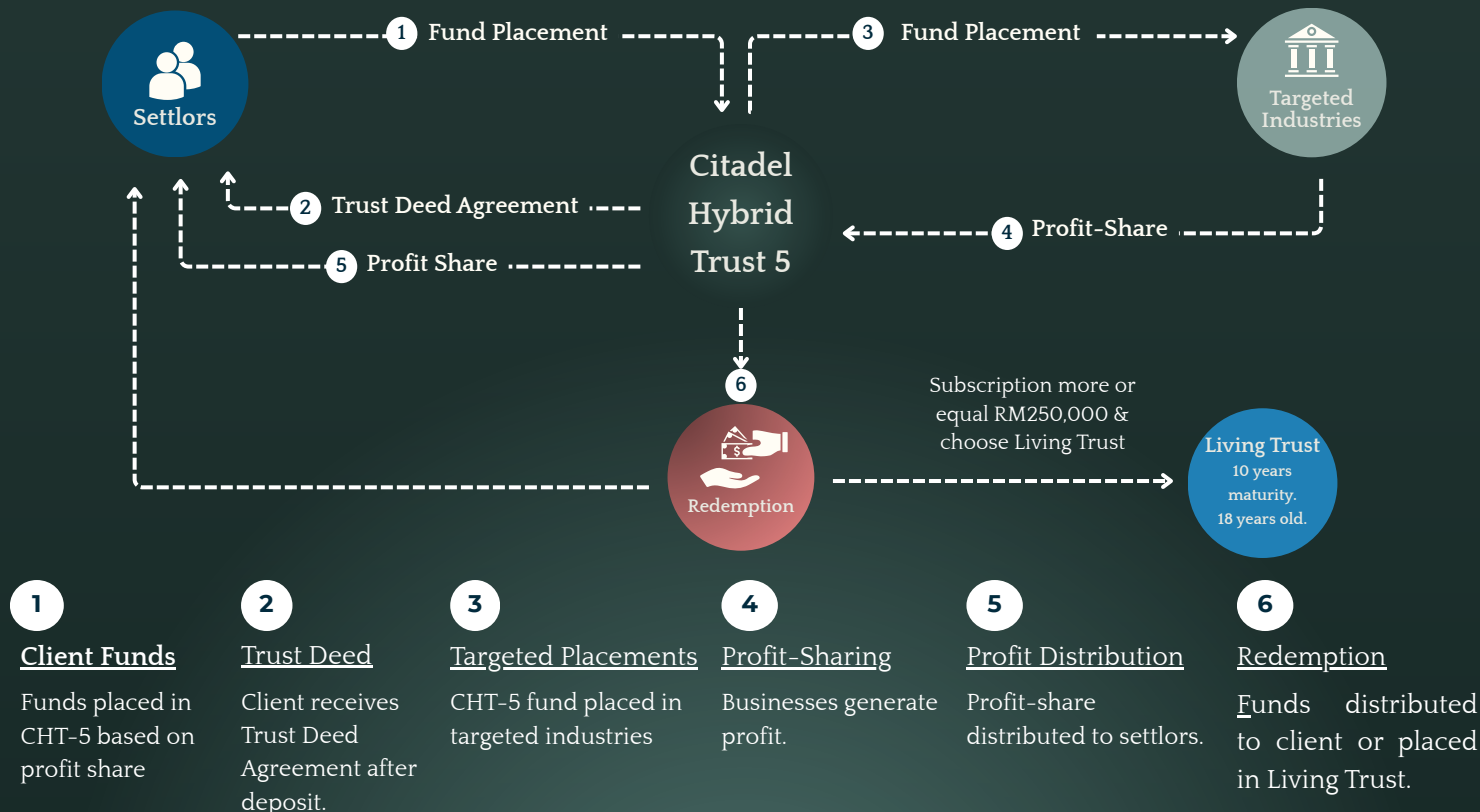

CHT-5 OBJECTIVE

Our private trust is designed to provide a balance between wealth preservation and wealth creation by placing in a mix of assets that offer different levels of risk and expected return.

INDUSTRY OVERVIEW

The Trust fund aims to achieve short to medium term moderate expected yield returns in various sectors and countries, including emerging markets. Some of the sectors we are currently exploring include alternative financing, technology, manufacturing, pharmaceutical, renewable energy, logistics, services and many others.

Trust Structure
